

Dear L'Anse Creuse Alumnus,

As an alumnus, here is a way for you to keep in touch and support your alma mater through the L'Anse Creuse Foundation. The goals of the Foundation are to enrich student development and to support teaching excellence and creativity.

Formed in 1989, the Foundation is an independent, nonprofit organization. It is governed by a volunteer Board of Trustees dedicated to providing outstanding enrichment programs, which enhance the educational opportunities for L'Anse Creuse Public Schools' students. As a result of our continuing efforts, many of our students have benefited through grants and scholarships, which are awarded on an annual basis.

It takes a favorable combination of sponsors, parents and educators working together to provide outstanding educational opportunities. Through community contributions made by alumni, business community, citizens, staff members and fund-raising activities, the Foundation has been able to award over \$250,000 in grants to the educational staff for innovative and creative projects as well as to graduating seniors in the form of scholarships.

As an alumnus, there are three ways in which you directly benefit your home school district. You can:

- Attend and/or sponsor our fund-raising events
- Make a tax-deductible charitable contribution to the Foundation
- Join our Foundation and actively plan and facilitate our fund-raising events and determine the distribution of funds

We sincerely appreciate all contributions of time, energy and funds to help further the work we are doing for the L'Anse Creuse community. Please complete the attached form to let us know how we can count on you. If you have any questions, please call the Office of School and Community Relations at (586) 783-6300, ext. 1214

Sincerely,
