Although families won't have to pay for meals, this form is ***critical*** in determining the amount of money that our schools receive from a variety of State and Federal supplemental programs like Title I A, At-risk (31a), Title II A, E- Rate, etc. These supplemental programs have the potential to offer supports and services for our students including, but not limited to:

- Instructional supports (staff, supplies & materials, etc.)
- Non-instructional services (counseling, social work, health services, etc.)
- Professional Learning for staff
- Parent and Community engagement supplies and activities
- Technology

### **Complete the form online at our Family Portal:**

***or*** watch for those forms in your school enrollment packets.

***If you have students in other schools of the district, please complete this form ONLY and include all of the students and household members in it.***

### **Family Portal**
