PowerSchool - Unified Classroom

PowerSchool Unified Classroom empowers teachers to manage more efficiently. This technology connects the classroom and student information system, assessment, learning, and gradebook software solution.

Parents without a PowerSchool Account. If you are a new parent to a traditional parent account, you will need to contact your student's school to get a Password.

➔ If you are currently using the PowerSchool Mobile App, no changes to use Unified Classroom on a computer please follow these direct

Instructions for [Unified Classroom for Parents](#)

First Time Using

Create Parent PowerSchool ID

If you are currently using the PowerSchool Mobile App no change or setup is necessary. If you would like to use Unified Classroom on a computer please follow these directions.

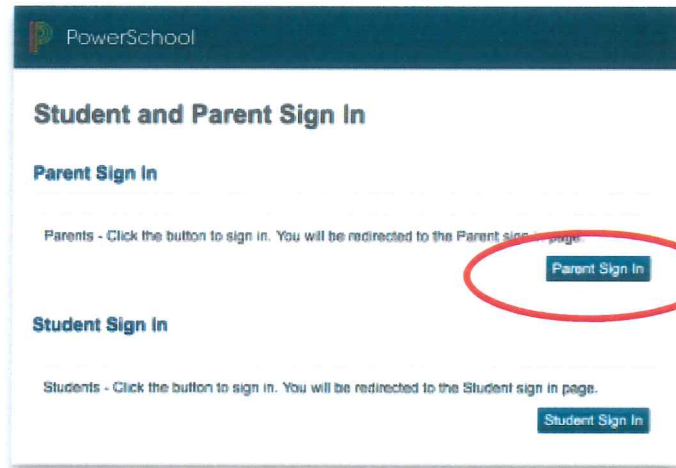

Click Here

[Watch the video.](#)

1. In a web browser, enter your PowerSchool Student and Parent portal URL.

<https://ps.lc-ps.misd.net/public>

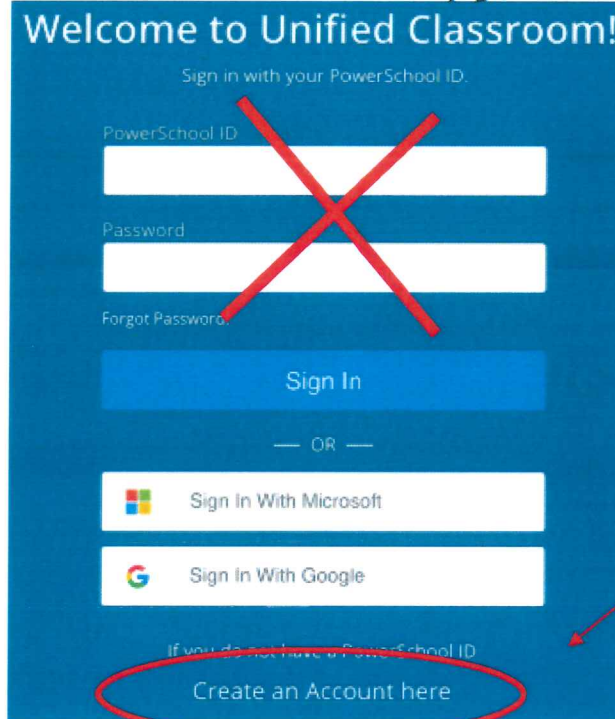

2. On the Student and Parent Sign In page, click **Parent Sign In**.

The screenshot shows the PowerSchool login page. At the top, it says 'PowerSchool'. Below that is the heading 'Student and Parent Sign In'. There are two main sections: 'Parent Sign In' and 'Student Sign In'. Under 'Parent Sign In', there is a button labeled 'Parent Sign In' which is circled in red. Under 'Student Sign In', there is a button labeled 'Student Sign In'.

Click Here

3. On the Welcome to Unified Classroom page, click **Create an Account here**.

The screenshot shows the 'Welcome to Unified Classroom!' page. It has a blue background. At the top, it says 'Sign in with your PowerSchool ID.' Below that are three input fields: 'PowerSchool ID', 'Password', and 'Forgot Password'. There is a blue 'Sign In' button. Below that is an 'OR' separator. There are two buttons for social login: 'Sign In With Microsoft' and 'Sign In With Google'. At the bottom, there is a link that says 'Create an Account here' which is circled in red.

Click Here

4. On the Set Up Your New PowerSchool ID page, enter the required information and click **Create PowerSchool ID**.

Set Up Your New PowerSchool ID

Unified Classroom uses a new global PowerSchool ID. Please enter a new username and password.

Click here

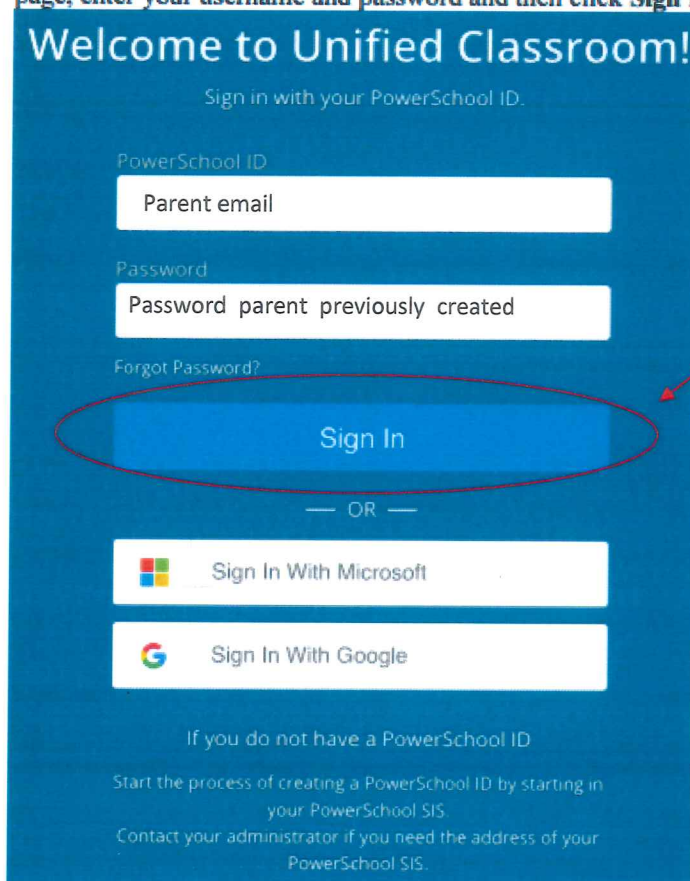

5. On the “That was easy! You're all set.” Page, note your PowerSchool ID and Sign In URL. You will need this information to sign in to Unified Classroom in the future.

Click here

NEXT: Sign In to Unified Classroom

1. Click **Continue to Unified Classroom Sign In**. On the **Welcome to Unified Classroom** page, enter your username and password and then click **Sign In**.

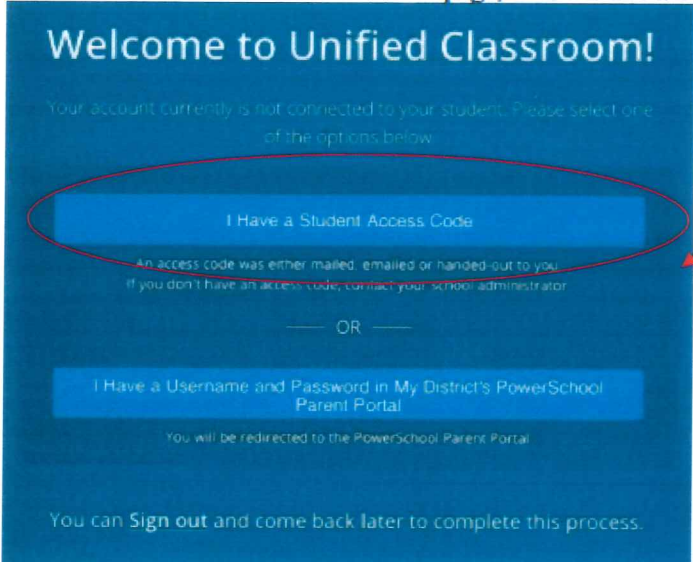

Click here

NEXT: Link Students

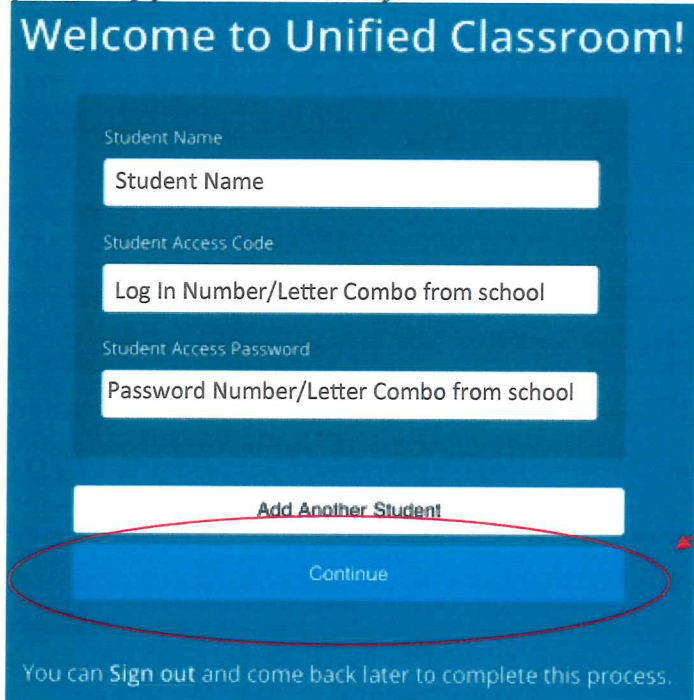

If you already have a username and password in your district's PowerSchool Parent Portal and have linked students to your account, skip to Link Account.

1. On the Welcome to Unified Classroom page, click **I Have a Student Access Code**.

Click here

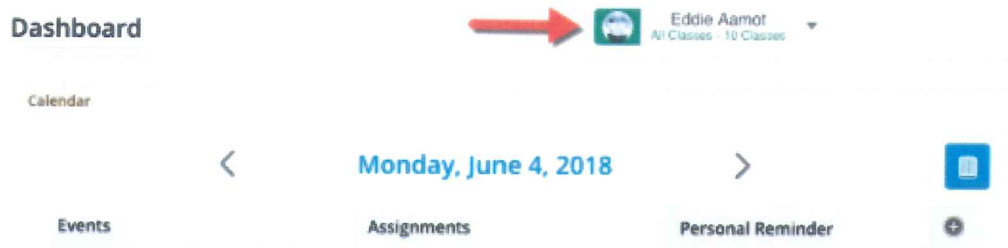

2. Enter the student's name, access code, and password. The access code and access password is provided by your school. You may have received it via email or mail.

Click here

3. Do one of the following:

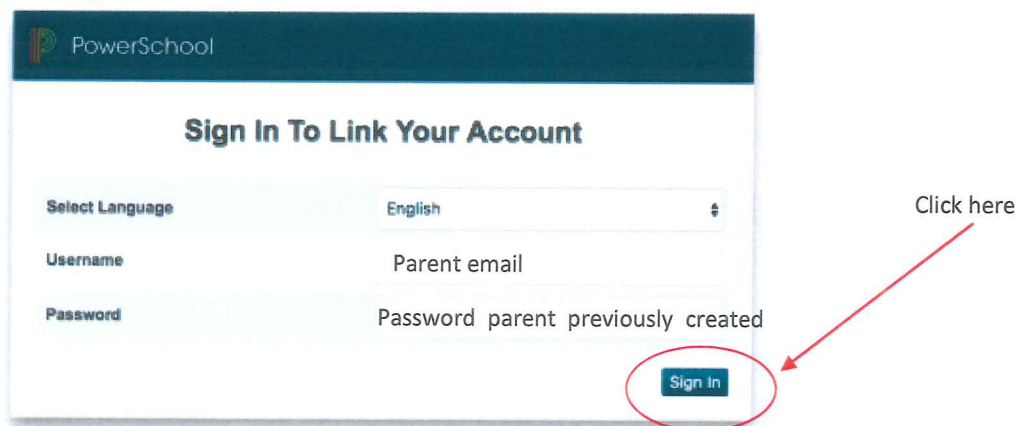

- Click **Add Another Student** and enter the student's name, access code, and password.
- Click **Continue** to proceed to the Unified Classroom Dashboard.

4. Note the students you added to your account appear in the Student Selector.

NEXT: Link Account

1. On the Welcome to Unified Classroom page, click **I Have a Username and Password in My District's PowerSchool Parent Portal**.
2. On the Sign In To Link Your Account page, enter your existing username and password and then click **Sign In**.

3. On the Unified Classroom Dashboard, note your students appear in the Student Selector.
