BEFORE YOU START: Tips on filling out online scholarship forms in Google Forms

1. Ask two people to be a reference. Ask their permission and give ample time before the due date for a reference person to write and send you an electronic letter. Teachers may submit a *Teacher Recommendation form* instead of a letter if they prefer.
 - one from a L'Anse Creuse Pankow Center Teacher
 - one from another non-relative adult

**The names you submit in the google application form must match the names on the letters you receive.*
2. Request an electronic copy of your transcript through Parchment. Allow ample time to obtain and receive this.
3. Prepare and type a thoughtful 100-150 word essay clearly describing your career plans/goals and state why you should be rewarded the scholarship. You may want to cut and paste from a Word document. Be sure your essay is free of typos and grammatical errors.
5. Submit all items via the google form link below.
