Dear Parents and Guardians,

We would like to introduce you to a new program our school has acquired to help your child prepare for academic, career, and future success.

Say hello to Xello!

Xello is an engaging online program that helps students build the skills, knowledge and plans to be future ready. The program uses an investigative, discovery-based learning process. Students better understand themselves, their future career options, and the 21st century skills they'll need to succeed.

Here's how it works...

The Student Experience with Xello

With Xello, your child will:

- 1 Build Self-knowledge**
 Define their interests, skills, preferences, and aspirations so they can explore the opportunities right for them.
- 2 Explore Options**
 Learn about career possibilities and educational pathways by exploring rich, engaging content and lessons.
- 3 Create a Plan**
 Your child can create dynamic actionable plans that outline the steps needed to achieve school, career, and life goals.
- 4 Learn & Reassess**
 Interactive lessons help your child develop age appropriate skills and knowledge for success in school and beyond.

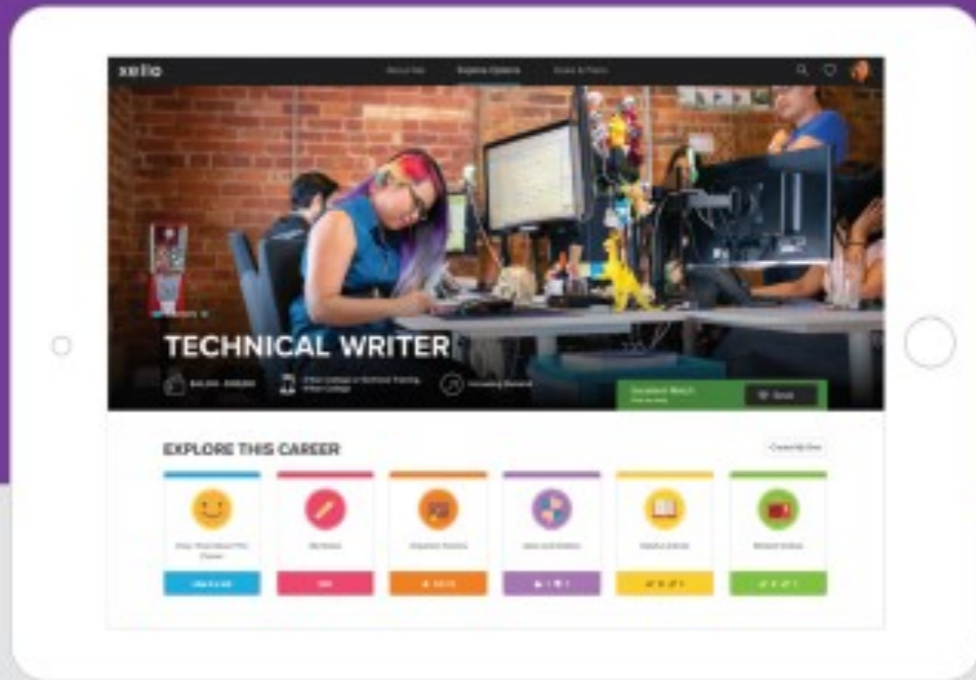

Parent Involvement

You're encouraged to explore Xello with your child by logging in together. Your child can log in to his or her account via desktop or mobile device to share what they've learned about themselves, the world of work, and their future options.

Say Hello to Xello!

Xello is an online program that helps you create your very own, unique roadmap for college, career, and future success. Interactive assessments highlight career pathways aligned with your skills, interests, and unique personality. Sign in today and get started!
