## James Brody

**L'Anse Creuse High School**  
**Class of 1985**

---

**J**im Brody attended Emma V. Lobbestael Elementary School, L'Anse Creuse Middle School-Central and L'Anse Creuse High School, graduating in 1985 as the salutatorian. While in high school he played football four years and basketball three years. He was one of the captains of the football team in his senior year.

Brody obtained a Bachelor of Science degree in physics from the Massachusetts Institute of Technology in 1989 and a Master of Science and doctorate in physics from Princeton University in 1994. Brody's PhD thesis was one of the first examples of the application of nanotechnology to the study of biology.

He has been a professor of biomedical engineering at the University of California, Irvine since 2000. His research has led to over a dozen patents and several dozen scientific publications.
