

Attendance

L'Anse Creuse Public Schools has a computerized student management system entitled, "PowerSchool." All elementary schools in L'Anse Creuse implement the following policies with regard to student attendance:

- a. Students who arrive at school after the posted start time for their building will be marked tardy.
- b. Students who arrive 90 minutes after posted start time for their building will be marked absent for $\frac{1}{2}$ day.
- c. Students who leave school 90 minutes before dismissal will be marked absent for $\frac{1}{2}$ day.
- d. Students who leave school prior to dismissal will be marked tardy.

Any student who is absent for 10 school days, will receive a letter. A doctor's note is required between the 10th and 15th absence. If no doctor's excuse is provided after the 15th absence, the county attendance officer will be contacted.

Absence Policy

If your child **will not** be attending school, we ask that you call your child's absence in to the school office prior to the start of the school day. Please call your school building and select option #5 from the menu and leave a message including your child's name, teacher and reason for absence.
