SALARY COMPUTATIONS

A. Formula

Level 4, Step 0, is 1.14 index off teachers' M.A. maximum scale for the 2023-2024 school year. In 2024-2025, the Level 4, Step 0 shall be increased by 1% if the total unrestricted revenue/k-12 enrollment equals an increase greater than or equal to 1.5%. In 2025-2026, the Level 4, Step 0 shall be increased by 1% if the total unrestricted revenue/k-12 enrollment equals an increase greater than or equal to 1.5%. The remaining steps are then attached the same percentage rate as teachers received.

Identical percentage increases that teachers received are applied Level 1, Level 2, and Level 3 of Administrator's pay schedule.

B. Change Rates

For the duration of the Agreement, the Salary Schedule, as modified pursuant to the terms of the Cost-of-Living Adjustment (C.O.L.A.) provision, shall be increased by multiplying zero (0) percent times each step of the modified Salary Schedule. A Cost-of-Living Adjustment shall be paid at the conclusion of each school year, pursuant to the terms of the C.O.L.A. provision.

C. Cost-of-Living Adjustment (C.O.L.A.)

Each year each Administrator shall receive a Cost-of-Living Adjustment (C.O.L.A.) as a deferred salary increase based upon the percentage rise in the revised Consumer's Price Index (CPI all items) for all Urban Consumers for the Detroit Metropolitan Area published by the Bureau of Labor Statistics, U. S. Department of Labor (1967=100) and hereafter referred to as the CPI, subject to the terms of this provision. The amount of the deferred salary increase shall be the dollar equivalent of the percentage increase, rounded to the nearest one-tenth (1/10) of one percent of the CPI, multiplied by the appropriate salary step according to the Salary Schedule Index as listed in the Salary Schedule. This percentage shall be determined by subtracting the CPI of April of the previous year from the CPI of the April of the year in which the C.O.L.A. is to be paid; the remainder shall then be divided by the CPI of the April of the previous year. The resulting amount of money shall then be paid,

less appropriate payroll deductions, rounded to the nearest one dollar (\$1.00) to each Administrator no later than June 30 of the year in which the C.O.L.A. is to be paid. Such payment shall be made a part of the Administrator's regular salary and folded into the Salary Schedule, but shall be paid by a check separate from the Administrator's regular paycheck. The maximum amount of the percent increase which shall be paid under the terms of the C.O.L.A. provision shall not exceed zero (0) percent.
