

Community *First* Health Centers

Improving the quality of life for our community.

Homeless Health Care Program

Are you living....

- With friends or relatives?
- At a hotel or motel?
- In a vehicle?
- In a shelter or warming center?
- On the streets or in the woods?
- In a transitional or recovery home?

Then you may be eligible for low or no-cost to you health care through our Homeless Health Care Program...

Primary Health Care
Non-narcotic Medications
Preventive & Emergency Dental Care
Health Education
Behavioral Health Care

Connections to other community providers to meet additional needs (shelter, employment, nutrition).

You must be an established patient within our Homeless Health Care Program to receive services in our office or at other locations in the community.

Macomb County

586-552-8333

St. Clair County

810-488-8025

Community First Health Centers' Homeless Health Care Program cannot assist patients with obtaining narcotics.
