KINDERGARTEN

Enrollment

Located at All Elementary Buildings

February 8, 2024 5:00 - 7:00 pm

Information regarding Schools of Choice will be available February 5, 2024.

Traditional Kindergarten

Each of our elementary schools offer a comprehensive full day Kindergarten program that focuses on reading, writing, math, science, and social studies. In addition to our hands-on interactive classrooms, our students experience a variety of specials programs including music, physical education, art, and Spanish.

Transitional Kindergarten (TK)

Our TK program offers a gift of time to those students who might benefit from an additional year before entering kindergarten. TK is the first of a two-year kindergarten sequence. Students attend Transitional kindergarten followed by Kindergarten the next school year.

NOW ENROLLING FOR THE 2024-2025 SCHOOL YEAR!
