

L'Anse Creuse High School
Electronic Communication Devices Policy
2019-2020 School Year

L'Anse Creuse High School has updated the Electronic Communication Device Policy for the following reasons;

1. Rise in cheating through the usage of cell phones/social media.
2. An increase in online bullying both on and off campus.
3. An increase in student conflicts due to social media.
4. Continued disruptions to the academic environment.

For the 2019-2020 School Year, the policy for electronic devices will reflect the following;

1. All classrooms will designated as "RED" rooms with no cell phone/ear bud usage allowed at any time.
2. Students will not be allowed to carry/hold their cell phones during class time. Students have two options; (1) store phones in their assigned lockers or (2) store phones in assigned holders found at the front of each classroom.
3. Students will be permitted to use their cell phones during passing time, at lunch and before/after school.
