Europe Trip With The German Classes

Mr. Bilen, the German teacher at LCHS has an important opportunity for you. We're going to Europe in Summer 2024, and you're invited! We're excited to tell you more about the trip we're planning with EF Tours, our educational travel company. **Our informational meeting is on Wednesday September 27 at 6:30 pm** in the LGI room at L'Anse Creuse High School North. Mrs. Bilen is doing this trip in cooperation with the German teacher there. Please be sure to register for this info session to be considered for this opportunity: <https://bit.ly/3OT0YMY>

When students travel, they expand their knowledge of the world around them, discover more about themselves, and grow more confident. These skills are critical for creating the global citizens of tomorrow, and we would love to have your student join us on this adventure. In this info session, we'll talk about:

- How this opportunity will benefit your student
- What we'll see and do on our trip
- Everything that's included in this experience
- How your child can earn academic credit
- How we're keeping this safe and affordable
- How to enroll on this trip (before it fills up!) during EF's risk-free enrollment period.

There are limited spots on this trip, so we would love to have you attend this meeting to learn more about

this exciting experience.

Europe Trip With The French Classes

Next summer 2024, your student will have the opportunity to travel to Europe (Belgium, Paris, and Switzerland) with the French classes! Mrs. Allen, LCHS French Teacher, has been leading student trips since 1995 and is super excited to offer this educational experience to you. She has chosen Worldstrides Educational Travel and Experiences as our travel company. Mrs. Allen has been traveling with them since 2006 and has been on 11 trips with this amazing company so far. They really take student travel to the next level! WorldStrides international tours for high school students broadens their horizons far beyond the textbook by exposing them to the best of culture, art, and history abroad. Working closely with educators, they design each program to bring classroom studies to life through interactive learning experiences and immersive activities. Students' knowledge and global perspective grows, along with their confidence and social skills. Information about this trip can be found at www.worldstrides.com/enroll (to sign up, use Trip ID: Allen-2024). Feel free to email [Mrs. Allen](mailto:Mrs.Allen) with any questions.
