

Dear Senior,

Once completed, please return this paper to the Community Service office before May.

Congratulations on completing your 40 hours of community service learning. When you are involved in any experience, a great deal of learning is entangled within the experience itself.

To complete your graduation requirement and close your file, please fill out the attached **“Final Learning Experiences Reflection”** and return it to me as soon as possible. Please use complete sentences when completing this form.

Please feel free to continue earning community service hours. As you bring them in to me, I will continue to enter them into your file and the total number of hours you have completed will be reflected on your transcript when you graduate. If you reach 80 hours, you will earn an Honor Cord and for 100 hours you will receive a certificate from the President of the United States.

If you have any questions, please do not hesitate to come to my office, located in the Main Hallway, any day between 6:30 a.m. and 2:30 p.m.

Sincerely,

Mrs. Rickel
