- Please have a ride here promptly at 5:00pm at the school to pick up your student athlete at the end of practice.
- If you know that your student athlete will miss practice, please email one of the coaches as soon as possible.

Locker Room

- Student/athletes are expected to report directly to the locker room after school and get dressed for practice.
- It is **STRONGLY RECOMMENDED** that they lock up their belongings in their lockers.
- We are not responsible for any belongings left out in the locker room.

Playing Time

- ▣ Every student athlete will play at least 2 plays per half (4 total per game)
- ▣ Playing time is different for each individual player as we are trying to be competitive, while having fun and teaching the basics of the game.
- ▣ Reasons for decreased playing time or not playing in a game:
 - ▣ Size Issues
 - ▣ Injury
 - ▣ Absence from Practice
 - ▣ Eligibility (Behavior/Grades in the Classroom)
 - ▣ “Dogging it” During Practice

Eligibility

- We closely monitor the grades and citizenship of each student athlete during the season. We constantly preach that school comes first!
- All student athletes must maintain a certain level of achievement during the season (NO failing grades!). If they do not, they may find themselves to be ineligible to play in that weeks game.
- If a student/athlete is ineligible, our Associate Principal Mr. Clotworthy will contact you and inform you directly if that happens.

Concussions

- This is a rising issue in all sports, but particularly football since it is a contact sport.
- Please read the information we provided for you about concussions on recognizing the signs and symptoms of a concussions and how to prevent it.
- Please know that as coaches we have been trained on recognizing the signs of a concussion and we will not hesitate to sit a student athlete out of a practice or game if we think they have experienced a concussion.
- **When in doubt, they should sit out!**
